

# Penetration Testing

Rules of Engagement

And

Scope of work

The following arrangement can be dated as of 2019 / 10 /02 (YYYY / MM / DD) between pr0b3.com and the Mega Crops Company represented by Mr Matt Mason hereby denoted as “The Customer”.

The following terms and conditions were being agreed upon between Pr0b3.com and the Customer pertaining to the penetration testing being performed by pr0b3.com

1. pr0b3.com will be required to do a planned execution of a Penetration Test , which will be a partially supervised test whose main goal will be the identification of software and hardware vulnerabilities along with the identification of misconfigurations of the assets owned by “The customer”
2. The information pertaining to “The customer’s” assets scoping the IP addresses ranges, URL or any other resource are delineated in annex 1 of this document.
3. This document gives authorization to pr0b3.com to execute the Penetration test on the dates specified in annex 2 of this document.
4. The communication between pr0b3.com and the Customer will be done by using the official mobile phone numbers and email addresses agreed upon in advance before the test. These contact details will be used be only for communication between pr0b3.com and the Customer for the test aforementioned.
5. The Customer holds the right to stop the tests at any execution state of the testing.
6. This document affirms that the test will be performed in accordance with the Information Technology best practices and pr0b3.com will not deploy any changes in the existing applications , data and components of the infrastructure of customer.
7. pr0b3.com does not affirms or imply that that the output of these tests will make sure that the network is safe from all the external and internal threats as threats continue to evolve .
8. The Customer makes sure that for aforementioned Penetration Test it has obtained the permissions and legal rights right to allow the network to undergo this test.
9. The Customer holds responsibility for data protection and backup pertaining to the network infrastructure on which the testing is being carried out. The customer waives its right to make legal

## ***pr0b3.com***

claims against Pr0b3.com for lost data , lost profits or delay in the deliverables resulting from the test.

10. pr0b3.com will treat the information and data shared during the tests as confidential and will not disclose it to any third party.

11. The disclosure of Confidential information to any third party will require the party to take prior written authorization from other party.

12. The confidential information will be destroyed as soon as the tests are completed.

13. This agreement and the annexes in this agreement constitutes the entire agreement between the customer and pr0b3.com. The modifications and altercations in this agreement will be valid only if are signed by both the parties.

## **Annex 1**
